Copy of letter Ref.C.5833/53-C2 dt.4-5-54 from the District Forest officer, South Kanara to the Chief Conservator of Forests, Madras.

Sub: Permits - Obsolete permits - Sitanady and Kulgunda Cattle fair tickets Write off requested.

There are some old stock of Kulgunda cattle fair tickets in this office. Formerly cattle fair tickets of different denominations were issued for sale at the fair viz for 1 head of cattle upto 100 heads of cattle in a single ticket. This procedure has been discontinued and separate tickets are issued to each head of cattle brought to the fair. Until 1949-50 the rate per head of cattle both for Kulgunda and Sithanady fairs was 2 annas, but in 1950-51, the rates were revised as 2 annas per head for the Sithanady fair and 4 annas per head for the Kulgunda fair and these rates are now in force., When the rate for the Kulgunda fair was raised to 4 annas per head of cattle the face value of the tickets were corrected by scoring off the original printed rate and affixing the revised face value. For use in the Sithanady cattle fair the Kulgunda cattle fair tickets themselves were used without scoring off the original face value but merely changing the name of the fair on the reverse of the tickets. This was done in order to meet the demand when fresh stock was not received from the Press. In the stock of permits at present in the office it is seen that these alterations in some of the permits are not attested by a Gazetted officer.

only the original printed value has been adopted.

5. For the reasons stated above these permits have become obsolete. They being obsolete I presume that they can be treated as ordinary stores and valued at cost of paper and printing which is roughly estimated at Rs.50/- only. However, the Conservator has ordered that these should be treated as face value permits and written off under proper sanction. I therefore request that the Government may kindly be addressed to write off an amount of Rs.70,802-8-0 being the face value of the above obsolete permits from the accounts of this division if necessary. I request the favour of early orders.

2 1

Copy of Ootacamund Circle Conservator's Ref.No.6129/54-R dated 15-5-1954.

Submitted to the Chief Conservator of Forests, Madras for favour of necessary action.

2. According to Note 2 (1) on page 243-Appendix 23 of the Madras Financial Code Volume II, only permit forms, with no value impressed on them, are to be treated as ordinary stores, and their value is to be estimated with reference to the cost of paper and printing. As the permits mentioned in the Dt.Forest officer's report bear certain face value, the District Forest officer's presumption that they can be treated as ordinary stores does not seem to be correct.

2. After the receipt of the new stock of single denomination tickets in 1953 only the new permits were being issued keeping back the old stock. The old tickets are of different in colour, size and denomination from the new ones and to prevent any complication the Range officers were ordered not to issue the old tickets during the last fairs. They have been withdrawn and are now kept in this office.

3. The new stock received from the Press is sufficient for the next two to three years and fresh indents will be placed as and when required.

4. The details of the old stock of permits are given below.

The Chief Conservator of Forests is informed that the Cattle fair tickets which are obsolete and unusable should be treated as ordinary stores and that the cost of paper and printing alone should be taken into account for purpose of writing off their value. He is therefore requested to take necessary steps to assess the value of the old cattle fair tickets in question accordingly and to have it written off the accounts by the competent authority.

Sir,

Sub: Accounts--Cattle fair tickets--Obsolete permits of Kulgunda and Siltandy Cattle fairs--South Kanara Forest Division--write off.

Ref: Memorandum No.113667 C IV/54-2 dated 11-10-54 and subsequent reminders dated 13-11-54.

As the permits have become obsolete and as they are practically of no value these permits may be treated as ordinary stores and the cost of paper and printing alone may be taken into account in writting off these permits.

It is presumed that the obsolete tickets will all be destroyed effectively.

Yours faithfully,

Assistant Accounts Officer.

ISSUED AS MEMO NO.113667 CIV/54-2 dated 11.10.1954

From the A.G.Letter No.F/COS/194 dated 24/27-12.5

With reference to the Memo at p.p.5-6 c.f. please see the letter from A.G. at p.13 c.f. wherein he has stated that as the cattle fair tickets have become obsolete and as they are practically of no value, they may be treated as ordinary stores and that the cost of paper and printing alone be taken into account in writing off these permits. It is observed from 'Z' on p.3 c.f. that the cost of papers and printing of these permits is roughly estimated at Rs.50/- It would therefore appear that under Art 72 of the Madras Forest Dept. Code read with article 66, the D.F.O. himself is competent to order the write off as the amount involved is less than Rs.100/- The C.C.F may therefore be informed accordingly.

Finance may see for remarks.

ADDITIONAL DEPUTY SECRETARY TO GOVERNMENT 10 JAN 1955

FIRST ASSISTANT SECRETARY 17 JAN 1955 AGRICULTURE DEPARTMENT

AGRICULTURE(CIV) DEPARTMENT.

The file relates to the proposal of the C.C.F. to write off the accounts of the South Kanara Divn. the value of the grazing permits of Kulgunda and Siltandy Cattle fairs which have become obsolete.

2. The C.C.F. has submitted proposals for the orders of the Government to write off the accounts and destroy old stock of grazing permits(tickets) of Kulgunda and Siltandy Cattle Fairs, of the face value of Rs.70802-8-0 which have become old and obsolete.

3. As the permits are old and obsolete it was considered that only the value of the paper and cost of printing alone need be written off and not their face value. The A.G. who was consulted in the matter has stated that as the Cattle fair tickets have become obsolete and are practically of no value, they may be treated as ordinary stores, and that the cost of paper and printing alone need be taken into account in writing them off. As the cost of paper and printing of the permits is roughly estimated at Rs.50/- it is considered that the orders of Government are not required to write them off and that the D.F.O himself will be competent to order the write off under Article 72 of the Madras Forest Department Code. It is therefore proposed to inform the C.C.F. accordingly. Finnace have agreed to it.

4. For orders whether the C.C.F. may be asked to assess the value of the permits at the cost of paper and printing, as they have become old and obsolete, and take steps to have them, written off the accounts.
